Adoption Contract

This Adoption Contract is entered into by and between the Adopter and Binky Buns.

The Adopter

- will under no circumstances part with the animal, except to return it to Binky Buns. (Any veterinary costs or other expenses met by the adopter cannot be reclaimed if the animal is returned.)
- will ensure the animal receives prompt veterinary care and treatment when required and will provide it with a balanced diet and appropriate exercise/space.
- will, in the case of animals that cannot/should not be neutered, ensure that the adopted animal will not be used for breeding.
- will acknowledge and accept that Binky Buns has the right to reclaim the animal at their discretion if it is being kept in any way they deem unacceptable.
- will take particular care that children treat the animal with respect and handle it appropriately.
- has permission from the property owner or rental agency to have pets in the house.
- agrees to give an adoption donation of £_____. This will only be refunded if the animal is returned with 2 weeks of the date of this document.
- understands that any information relating to the past behaviour of the animal will be communicated to them. This information is given in good faith, based on data given by previous owners and foster carers. Binky Buns cannot always predict how an animal will react in a new home.
- understands that Binky Buns takes every care to match the right animal to the right person. In the event that any injury is sustained responsibility does not lie with the charity or its volunteers.
